Child Protection Services

There are Child protection centres in different locations in Kilifi County, they offer the following services:

- Referral to other service providers (e.g. hospitals, schools, police, other NGOs, government offices, etc.)
- Assessment of cases & provision of assistance.
- Child and family counselling.
- Legal advice and aid for parents/caregivers and children.
- Tracing and family reunification for lost or abandoned children.
- Library services and leisure during open days when children come to the centre to have fun interact and also learn about their rights.
